

**EU Institute in Japan, Kansai Scholarship for 2006/2007**  
**Application Guidelines for Doctor's Course Students & PD Researchers**

---

 Institute in Japan, Kansai

1. Objective

The European Union Institute in Japan, Kansai (hereafter EUIJ, Kansai), a consortium formed by Kobe University, Kwansai Gakuin University and Osaka University, will award a limited number of scholarships to graduate students in the Doctor's courses and postdoctoral researchers of the three consortium universities. The purpose of the scholarship is to support **research trips to Europe for EU studies**, with a view to developing personnel who can help advance EU studies in Japan.

2. Target Academic Fields

Any trips to the EU region in any of the fields of EU studies (humanities and science) are eligible.

“EU studies” here means any studies on the mechanism or regional systems of the EU, and does not mean simply conducting research within the EU region.

3. Qualifications

Graduate students in the doctor's courses or postdoctoral (PD) researchers of Kobe University, Kwansai Gakuin University or Osaka University who conduct EU studies (excluding foreign students, in principle).

Note: “PD researchers” here mean graduates of one of the three universities above who meet either of the conditions below at the time of application:

1). Persons who have completed the doctor's course and currently have no full-time job; or 2). Persons who had enrolled in the doctor's course at a graduate school for at least the number of years required for completing a course of study but left university after completing the course, and so are deemed to have competence equivalent to that of those who received a doctor's degree, and currently have no full-time job.

4. Duration

The scholarships will be awarded in one lump sum to accepted research projects to be conducted and completed between the first day of the period of submission of application documents and 20 September 2007 (including research projects already in

progress at the time of application).

## 5. The Amount of Scholarship and Number of Grantees

### Number of Grantees

The total estimated number of Grantees will be 4 persons.

### Amount of scholarship

A one-time award worth the sum total of the airfare and the per diem (calculated by multiplying the standard amount specified for the country or the city by the number of days of stay; please see the Appendix). The maximum for each grantee is **5,000 euro** (approximately ¥725,000).

The amount of the per diem in yen will fluctuate according to the exchange rate.

## 6. Screening

### a. Screening process

The EUIJ, Kansai Working Group on Scholarships will examine application documents. At the recommendation of the Working Group, the EUIJ Management Office will decide successful applicants.

### b. Announcement of Scholarship Winners

The EUIJ, Kansai Secretariat of applicants' home university will notify all the applicants of screening results in December 2006 (the precise date will be announced later). Schedules are subject to change.

## 7. Documentation (to be prepared in Japanese or English)

### 1) 1 application form (Form 1)

### 2) 1 research trip prospectus

Please type your prospectus on A4-sized paper (40 characters x 30 lines) and limit yourself to about 6,000 characters if it is in Japanese. Make sure that you double-space your prospectus and limit yourself to about 10 pages if it is in English. You should include the following:

- i) Research subject (not more than 40 Japanese characters or 30 English words);
- ii) Present state of the research subject (a. General trends of and problems with existing studies, b. Applicant's past research achievements and their implications on a.);
- iii) Future research plan (Concrete descriptions of a. aim, b. research methodology and c. what to elucidate and to what extent);

- iv) Characteristics, originality and expected findings of the research.
- 3) List of your research achievements which states names of literary works/journals, issue, page and year of publication (in order of publication from the most recent one)
- 4) Research trip itinerary (Form 2)
- 5) Applicants who have prepared the above application documents in Japanese should, upon receipt of a letter of acceptance, prepare in English: 1. application (Form 1), 2. summarized prospectus (about 800 words), 3. research trip itinerary.

#### 8. Submission

Applicants must bring in or mail the documents above to the EUIJ, Kansai Secretariat of their home university (See 12. Contact), no later than **Monday, 20 November 2006**. The documents will not be returned. For your records, applicants are encouraged to make their own copies.

#### 9. Documentation after returning home

##### 1) 1 research report

Please give detailed accounts of what has been elucidated throughout the research trip, in particular, research findings in terms of how it relates to what the research trip prospectus says, in English, German or French. A research report written in Japanese can not be accepted. Please double-space this and limit yourself to about 12 pages. Please note that your research report will be posted on the website of the EUIJ, Kansai. The research report is due **Friday, 31 August 2006** in principle, but the deadline is postponed until Friday, 5 October 2007, in the case of returning home after 1 August 2007. In all cases, early submission is preferred.

- 2) Receipt of the airfare and air ticket stubs, the financial report and the receipts of all expenditures incurred during your travels. The amount appropriated for the electronic devices must be less than 50,000 yen.

10. Publication of the findings of a research project funded by this scholarship must include a statement to the effect.

#### 11. Suspension, discontinuation and return of the scholarship

Should a scholarship student fall under any of the following, a scholarship may be suspended and/or return of all or part of the scholarship granted may be requested:

- 1) When it is made known that the scholarship was won by dishonest means, such as false reports in the application;
- 2) When the student no longer meets the qualifications for applying for the scholarship;
- 3) When the student is disqualified from the scholarship, due to such reasons as dismissal from university;
- 4) When the student receives any disciplinary action or other such punishments from their home university that make it impossible for them to continue their research;
- 5) When the student fails to submit a research report by a specified date;
- 6) When the EUIJ, Kansai decides that the research report is ill-prepared and so the aim and research objectives stated in the research prospectus are not fulfilled; or
- 7) When the student uses their scholarship for purposes other than their research.
